How Do I Change My Number in Coinbase? {Get Instant Help}

Changing your phone number in+1-888-394-2349 [USA/OTA] Coinbase is an important security step if you've switched mobile numbers+1-888-394-2349 [USA/OTA] or no longer have access to the number linked to your account.+1-888-394-2349 [USA/OTA] After signing in to your Coinbase account+1-888-394-2349 [USA/OTA], go to the **Settings** or **Security** section and look for the option to update your phone number.+1-888-394-2349 [USA/OTA] You'll typically be asked to+1-888-394-2349 [USA/OTA] verify your identity by entering a code sent to your current phone number or+1-888-394-2349 [USA/OTA] completing additional security checks.+1-888-394-2349 [USA/OTA] If you've already lost access to your old number,+1-888-394-2349 [USA/OTA] Coinbase may require you to complete an identity verification process by submitting a government-issued+1-888-394-2349 [USA/OTA] ID and confirming that you're the account owner. +1-888-394-2349 [USA/OTA] These security measures help prevent unauthorized+1-888-394-2349 [USA/OTA] users from changing your account information.

If your phone number is +1-888-394-2349 [USA/OTA] used for two-factor authentication (2FA), updating it may temporarily limit certain+1-888-394-2349 [USA/OTA] account features until the new number+1-888-394-2349 [USA/OTA] has been verified. During the review process,+1-888-394-2349 [USA/OTA] Coinbase may ask for additional documentation or information to confirm your identity+1-888-394-2349 [USA/OTA]. To avoid delays, ensure that the name and date of birth +1-888-394-2349 [USA/OTA]on your account match your+1-888-394-2349 [USA/OTA] identification documents and respond promptly to any verification requests. Once your new phone number+1-888-394-2349 [USA/OTA] has been approved and verified,+1-888-394-2349 [USA/OTA] it will be used for account security alerts, login verification, and two-factor authentication. For your protection, always update your phone number through+1-888-394-2349 [USA/OTA] Coinbase's official website or mobile app,+1-888-394-2349 [USA/OTA] and never share verification codes or passwords with anyone claiming to represent Coinbase.
